Sir,

Referring to the Chief Secretary's memo: No. 6942/50 dated 13th October last, I have the honor to forward for your opinion compensation statement showing the rates proposed to be allowed for lands required for the extension of the Krishnarajapura Railway station. I consider the Builder's rates are fair; but Mr. Krishnienlar claims Rs. 1000/- for an acre of dry land which is excessive. He is an Officer of the Mysore Government and I am writing to him to reconsider his claim. If he declines to accept the Builder's rate, I shall have to refer the matter to the District Judge for decision. Unless you accept his rate, I must inform you however that my past experience of the present District Judge's order in

in such cases gives me no courage to recommend to you a reference to the Judge. But as Mr. Krishnaiyar can get no more than what he has demanded, we shall lose nothing by a reference. I can settle the dispute between Mr. V.G. Krishnaiyar and his tenants. —

Sir,

Adverting to Correspondence ending with this office No. 1256 dated 21st April last, regarding the lands required for station purposes and diversion of Road at Krishnarajapura, I have the honor to submit for approval and publication in the Mysore Gazette, a draft declaration under section 6 of the Land Acquisition Act.

2. I enclose another statement which shows the Compensation proposed to be paid.

3 The lands, as will be seen from the accompanying statements,

are situated one in the Kayemgutta village of Vijanapur and the others in the Kayemgutta village of Betrayanapur. The valuation of the trees which is agreed to by the owners seems fair: it may be sanctioned. Timmengada Mudaliar Inamdar of Vijanapur is willing to accept Rs. 30 per acre of dry land which is fair and I recommend it for sanction. Mr. B. G. Krishniengar Inamdar of Betrayapur claims Rs. 120/ per acre of Bagyet land and the Amildar recommends it. He claimed Rs. 100/ per acre of dry land and on my asking him to reconsider his claim he says he will agree to Rs. 80/. The Amildar recommends Rs. 50/ per acre, and I think the Amildar is right. If the Government approve of it, I shall pay him at the rate of Rs. 120/ for garden land and I shall offer him Rs. 50 an acre for

dry land.

4. Mr. B. G. Krishniengar and two of his tenants Bairappa and Kempaka are in dispute regarding their title to the trees and their dispute may be referred to the Civil Court.

With reference to your letter No. 1755 dated the 4th November 1894 and subsequent reminders, asking for a tracing of the land required by the Madras Railway Company at Krishnarajpuram Station, showing the position and size of the new works proposed to be erected thereon, I am directed to request that, you will favour the Resident with information as to why the tracing

is required, as the disposition and Size of the buildings at this station is a matter which, unless exceptional circumstances obtain, solely concerns the Government of India and the Madras Railway.

2. The area of land applied for, I am to remark, has been reduced as far as desirable, and as the supply of the bracing has no connection with the acquisition of the land, the Resident will be glad if early action be taken on this office letter No. 409/24-83 of the 8th February 1895 to the address of the Dewan of Mysore
